Passengers shocked by  
kinky antics at taxi rank

By JAMES WELLS

SHOCKED travellers were disgusted to see a woman hungrily sucking off her partner outside a busy railway station.

Randy Kerry Walker was spotted carrying out the kinky act on Lee Martin for three minutes at the taxi rank outside Newcastle Central Station.

One sickened witness approached rail staff and pleaded with them to intervene.

## 'Bully' Bercow banned from Parliament

THE former Commons Speaker John Bercow has been banned from holding a House of Commons pass as an ex-MP after a bullying inquiry into his treatment of three staff members.

Bercow (above) was found to have bullied staff members by standards commissioner Kathryn Stone and her verdict was upheld by an independent expert panel on Tuesday.

The report upheld 21 out of 35 claims against him made by former staff relating to behaviour during his decade as Speaker.

Bercow's final years in the role were dogged by allegations of bullying, including swearing at officials and throwing his mobile phone.

The allegations were brought by Lord Lisvane, the former clerk of the Commons, and private secretaries Kate Emms and Angus Sinclair.

Bercow, a former Tory MP, has since defected to Labour.

## Sharp fall in COVID deaths

THE number of deaths involving coronavirus registered each week in England and Wales has dropped to around half the level seen at the peak of the recent Omicron wave of infections.

Some 766 deaths registered in the week ending February 25 mentioned COVID-19 on the death certificate, according to the Office for National Statistics (ONS).

This is down 48% from the 1,484 deaths registered in the week to January 21, the highest weekly total during the latest wave of the virus.

# WE'LL FREEZE EUROPE!

## Households facing £1,000 hit this year

RUSSIA has said it may close its main gas pipeline to Germany if the West goes ahead with a ban on Russian oil.

Deputy Prime Minister Alexander Novak said a "rejection of Russian oil would lead to catastrophic consequences for the global market", causing prices to more than double to \$300 a barrel.

The US has been exploring a potential ban with allies as a way of punishing Russia for its invasion of Ukraine.

But Germany and the Netherlands have rejected the plan.

The EU gets about 40% of its gas and 30% of its oil from Russia, and has no easy substitutes if supplies are disrupted.

While the UK would not be directly impacted by supply disruption, as it imports less than 5% of its gas from Russia, it would be affected by prices rising in the global markets as demand in Europe increases.

In an address on Russian state television, Mr Novak said it would be "impossible to quickly find a replacement for Russian oil on the European market".

"It will take years and it will still be much more expensive for European consumers. Ultimately, they will be hurt the worst by this outcome," he said.

Pointing to Germany's decision last month to freeze certification of Nord Stream 2, a new gas pipeline connecting the two countries, he added that an oil embargo could prompt retaliation.

"We have every right to take a matching decision and impose an embargo on gas pumping through the [existing] Nord Stream 1 gas pipeline," he said.

WARNING: Novak

WAR in Ukraine will push up energy prices and see UK families squeezed even further, a think tank has warned.

The Resolution Foundation forecasts that a typical household's income will fall by about £1,000 this year once the effect of inflation is accounted for.

That would be the biggest real-terms fall in incomes since the mid-1970s, it added.

A government spokesperson said it recognised the pressures households are facing.

Many families were already expecting their monthly spend to go up when the energy price cap jumps in April and National Insurance contributions rise.

But in a new report, the Resolution Foundation said the Ukraine conflict would push up living costs even further as the prices of fuel and other goods surged.

It expects inflation, which measures how the cost of living changes over time, to peak in April at 8.3%.

That is much higher than the Bank of England's forecast of 7.25% in February.

## Petrol pump prices going up, up, up!

DRIVERS have been hit by the steepest weekly hike in fuel prices in at least 18 years due to Russia's invasion of Ukraine.

The average price of a litre of petrol at UK forecourts rose from 149.2p on February 28 to 153p on Monday, according to the Department for Business, Energy and Industrial Strategy (BEIS).

Average diesel prices rose from 153.4p to 158.6p over the same period.

The weekly increases of 3.8p for petrol and 5.2p for diesel are the largest in records dating back to June 2003.

They mean the cost of filling up a typical 55-litre family car has increased by more than £2 over the past week.

Oil prices have spiked due to concerns over the reliability of supplies amid the war in Ukraine.

## Putin sedated after 'having fit' during meeting with generals

RATTLED: Puffy-faced Putin collapsed after rant

# THE PRESSURE'S GOT TOO MUCH FOR HIM

**SPECIALIST medics raced to Vladimir Putin's aid after the tyrant suffered a suspected FIT while ranting at his generals about his failing invasion of Ukraine.**

The 69-year-old began foaming at the mouth and, according to leaked reports, COLLAPSED, twitching, in a heap as he berated Defence Minister Sergei Shoigu and Army General Staff Chief Valery Gerasimov over the military's slow progress.

It's believed the medics

By **BRAD CHADWICK**  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

administered a mild sedative and suggested the hated Russian dictator take a break to avoid a repeat attack.

A Kremlin insider shuddered: "When the President collapsed, nobody knew what to do."

"Several people thought he was actually dying and the President's bodyguards called for the in-house paramedics."

"It was diagnosed as a fit, probably caused by lack of sleep and the President's poor diet during the invasion."

"He usually eats very

healthily, but in recent days he's been bingeing on junk food and chocolate bars."

"To add insult to injury, it was noticed that someone had stolen a chocolate bar from his desk in the mayhem that surrounded his fit."

## Scared

"It is clear that he is very highly-strung as it becomes ever more obvious that his gamble in Ukraine has failed."

"He expected an easy victory with little or no response from the West."

"But the massive sanctions

and the heroic defence by the Ukrainians have rattled him and he's taking it out on his generals, who had been too scared to warn him this would be the outcome of his folly."

There have been repeated rumours about Putin's health in recent weeks.

One expert suggested his "puffy" appearance could be a side-effect of cancer treatment.

It's believed all witnesses to the fit have been sworn to secrecy and the medics who treated Putin have been sent to a prison camp "for a national security debrief".

# WE CAN DO MORE...AND WE WILL

DEFENCE officials are to help process visa applications from Ukrainians fleeing the war amid continuing criticism over the slow rate at which refugees are being admitted to the UK.

The Home Office said that just 300 visas have been issued out of a total of 17,700 family scheme applications that have been started, 8,900 of

which have been submitted.

With 1.7 million people having fled the fighting so far, Defence Secretary Ben Wallace (left) acknowledged that the government needs to move quicker and said he is offering Ministry of Defence (MoD) support to speed up the work.

"The first and foremost duty for all of us is to make sure that people

get to safety," he said.

"Once they've got to safety, making sure we just check their identity before they come to this country, it is incredibly important that we do that."

"Of course, we can do that quicker, we are leaning into that, the Home Secretary is determined to do that quicker, I will give her all the support I can."

**BREAST SCENE EVER:** Jamie (above) in *Trading Places*

## Jamie rules out more titty films

**FEAST your eyes on this scene from the classic comedy *Trading Places*... because Jamie Lee Curtis WON'T show her fabulous breasts again!**

Jamie, 63, spoke about her infamous topless scene in the 1983 movie when she chatted with "People (The TV Show!)"s Adrianna Costa.

The actress said she "would absolutely not" appear naked again on screen at this point in her career.

"I was 21 years old, and the part required Ophelia to take off her dress," she told Costa.

### Classic

"Did I like doing it? No. Did I feel embarrassed that I was doing it? Yes. Did I look OK? Yeah. Did I know what I was doing? Yeah. Did I like it? No. Was I doing it because it was the job? Yes."

Jamie continued: "I wouldn't do it today, it's the last thing in the world I would do now."

"I also am married for 37 years, I wasn't married then. I'm a

Sexy Jamie starred alongside Dan Aykroyd and Eddie Murphy in the comedy classic.

The film focused on a wealthy commodities broker (Aykroyd) and a down-on-his-luck street hustler (Murphy) who become the unwitting subjects of a bet to see how they fare when their circumstances are swapped.

Jamie's titty scene in *Trading Places* is regularly voted the best breast scene in Hollywood history.

According to the Pinellas County Sheriff's Office, Carlyle was still in the nude when authorities found him at his camper van.

Carlyle has been charged with criminal mischief.

## Porno makes women more randy in bed

WATCHING huge throbbing cocks thrust into gaping fannies in X-rated porn movies may make men flop in bed in real life.

But viewing porn makes women feel SAUCIER in the sack!

A new study has found frequent porn viewing can have disastrous effects on men's sex lives, often leaving them with low self-esteem, erectile dysfunction and an inability to satisfy their lover.

The study, published in the *Psychological Medicine* journal, polled more than 20,000 French-speaking adults over two years to determine the findings.

The research found the more kinky videos a man watched over time, the more likely he was to report poor levels of sexual function.

But the study found the more frequently a woman watched porn, the more likely she was to have an increase in sexual satisfaction.

## Ex-fiancee hits out after Dizzee Rascal verdict

DIZZEE Rascal's ex-fiancee said "wealth and status" should not be allowed to silence women after the grime artist was found guilty of assaulting her.

The musician (*above*), 37, whose real name is Dylan Mills, was found guilty of attacking Cassandra Jones by pressing his forehead against hers and pushing her to the ground during a "chaotic" row at a residential property in Streatham, south London, on June 8 last year.

Speaking after the verdict, Ms Jones said: "The verdict has brought me no joy, but it does help me to look back on what I experienced and have it recognised by the courts as assault."

"I understand why so many women drop out of the criminal justice system."

"This verdict shows that wealth and status cannot be used to silence women."

"One in four women in England and Wales will experience domestic abuse at some point in their lifetime."

## Don't call the doc... try the NHS app first

PATIENTS will be encouraged to use the NHS app first instead of calling GPs under a new set of reforms announced by the Health Secretary.

Sajid Javid used a speech at the Royal College of Physicians to set out his vision for how the health service will evolve to cope with rising challenges, including people living longer with complex conditions.

Under the plans, patients will be urged to use the NHS app to manage their health.

There is a target of 75% for all adults in England to be using the app by March 2024.

Health chiefs hope people use their phones to book appointments, communicate with their surgery, see test results and get advice to manage their health and wellbeing.

**Tallia's nips are causing a Storm!**

NOW that's going to cause a storm... in most Brit blokes' underpants!

Sexy singer Tallia Storm delighted fans when she posed for racy pics in an underground car park in a frock that went SEE-THRU.

The 23-year-old Scot shared the sexy snap with her 500,000 Instagram followers.

One fan panted: "She caused a hurricane in my undercrackers - a hurricane of SPUNK, that is!"

## SHOCKED members of the public were disgusted to see a man and a woman engaged in sexual activity outside a busy railway station.

Kerry Walker, 33, was spotted carrying out a sex act on Lee Martin, 40, for three minutes at the taxi rank of Newcastle Central Station.

One member of the public who witnessed it approached a member of staff at the station and told them it was "disgusting" and asked them to do something about it.

Just over half an hour later the pair assaulted a homeless man outside the station after they had demanded money that people had donated to him.

Newcastle Crown Court heard the outrageous public decency offence happened at 6.35pm on May 16 last year.

Prosecutor Glenn Gatland said: "Kerry Walker was on the ground on her knees with her face in Martin's crotch area."

"It went on for around three minutes while members of the public and staff were in the area."

## Dozed

Just over half an hour later, the pair attacked the homeless man who had dozed off, again in front of members of the public.

He was woken by the pair, with Martin threatening him, asking for money and shouting and swearing.

Walker then picked up some of the victim's bags and hit him in the face with her hand before Martin punched him three or four times.

He was left with a cut to his eye.

By JAMES WELLS  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

Martin, of Newcastle, and Walker, of Gateshead, both admitted outraging public decency and assault occasioning actual bodily harm.

Martin also admitted burgling a branch of Boots in Newcastle city centre in October 2020 when he smashed a window with a pick axe and stole makeup to the value of £660.

Martin, who has 70 previous convictions, was jailed for five months, reduced to take into account the time he has served on remand while waiting for the case to conclude.

Walker, who has 164 previous convictions, and who was remanded in custody for 292 days, was sentenced to a community order with an eight-week curfew.

Fiona Lamb, representing Martin, said he was under the influence of drugs at the time of the offending and has a long-standing addiction.

She added that he is remorseful and had the opportunity to work for his dad's roofing firm.

Rachel Hedworth, who represented Walker, said: "She has taken steps to address various addictions which have blighted her life since childhood."

## M-WAY OFFICERS GET £500k OF BODYCAMs

MOTORWAY traffic officers across England have been issued with body-worn cameras to record abuse from angry drivers.

National Highways announced it has completed a nationwide £500,000 rollout of the gear after recording 214 episodes of intimidating behaviour or assault against its staff in the 12 months to January 17 last year.

The organisation

believes the cameras reduce the potential for confrontation, as well as record evidence needed for police investigations and criminal prosecutions when incidents occur.

They are also used by police, fire and ambulance personnel.

Traffic officers are often first on the scene when there is a crash, obstruction, spillage or other issue requiring a road to be closed.

## Pregnant teen tried to smuggle drugs in minge

A PREGNANT teenager has been busted trying to smuggle fentanyl into the US inside her MINGE.

The 19-year-old mum-to-be, who is two months pregnant, was one of three female drug runners recently arrested while attempting the ploy on Texas's border with Mexico.

The US citizen was flagged for secondary inspection at the border and voluntarily removed a condom containing 0.26 pounds of fentanyl from inside her wet hole.

Minge-smuggling is nothing new in drug-ravaged America.

A drug-sniffing K-9 alerted officers to a 42-year-old US woman attempting to enter the country at the Paso Del Norte International Bridge in El Paso with a 0.293-pound bundle in her vagina.

## Airbnb perv 'secretly filmed guests bonking'

AN Airbnb host faces 15 counts of invasive visual recording after 2,100 secret videos of guests naked and having sex were discovered, according to cops.

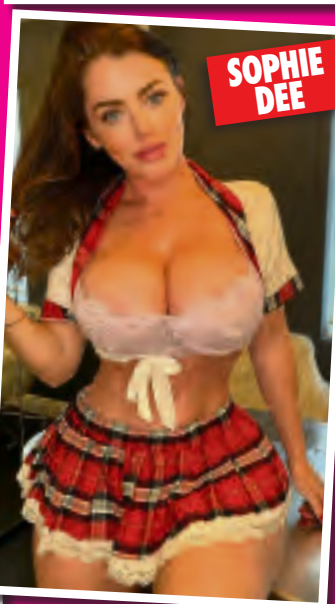

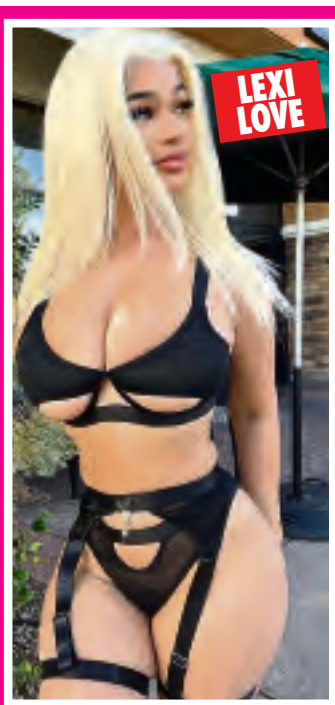

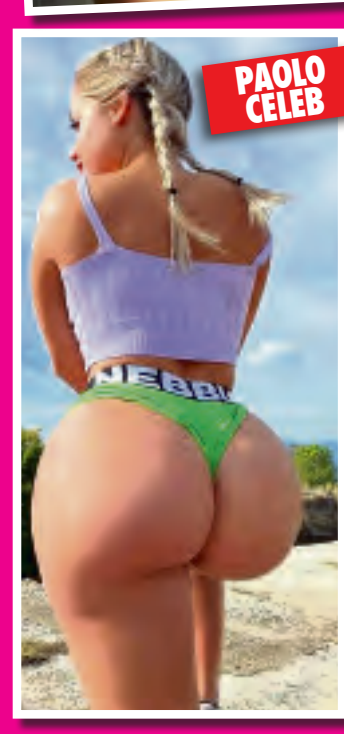

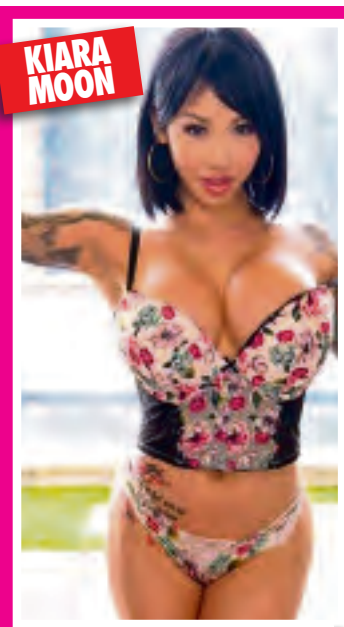

Police say a filming device, disguised as a power adapter, was uncovered in A Jay Allee's cabin.

A guest found it in a bedroom of the secluded cabin near San Antonio, Texas, described as a quaint, quiet and safe hill country vacation spot.

Investigators uncovered the images on laptops, phones and a tablet linked to the hidden device.

The lawyer for Allee, 54, claims he is innocent of all the charges.

Allee's arrest came after a couple staying in the guest house became suspicious of comments such as "be comfortable, we don't care if you are in your pj's or nude".

## A CREEPY stalker allegedly lived in the attic of an OnlyFans model and came out at night to film her.

Mauricio Damian-Guerrero, 20, reportedly became obsessed with the woman, who he met via the pay-per-wank site, and tracked her moves.

He observed her from a distance and crept down in the dead of night to film her on his mobile phone, police said.

It's claimed he acquired her keys and made identical versions, which meant he could enter her property whenever he wanted.

He reportedly hid in her upstairs loft in New Hampshire and waited for her to sleep, before creeping downstairs and filming her.

was only discovered  
when the model's

The victim, who is identified only as NR, twigged that something was wrong when her mother began to realise that someone was in

the overhead space.

Damian-Guerrero entered the 24-year-old woman's home on at least four occasions, according to court papers.

During this time he is said to have used his phone to covertly film her.

Video clips were found on his mobile phone, which were taken as she slept naked.

Damian-Guerrero first claimed to have broken into the home to retrieve a TV and fireplace he had bought as a present for her.

He claimed the OnlyFans model had "wanted a man to be obsessed with her and stalk her".

Damian-Guerrero was charged with four counts of burglary.

He was released from prison and made to wear a tracking tag to ensure he didn't breach a strict restraining order.

"The driver allegedly continued the act and would not respond to police directions, requiring other officers to help place him into custody."

The driver was given a 24-hour driving prohibition for driving while high. He was also handed violation tickets for driving without a licence and without headlights.

## Greggs set for another price hike

GREGGS has warned the price of its products is likely to go up for the second time this year as it faces runaway increases in costs.

The fast food chain said it had already increased some prices at the start of the year, and that further changes are expected.

The cost of doing business is expected to rise between 6 percent and 7% for the firm this year due to higher staffing and the cost of ingredients.

However, it said it will try to protect its reputation for being "outstanding value for money".

A spokesman added: "This has necessitated some price increases, which were made at the start of this year, and further changes are expected to be necessary. As ever, we will work to mitigate the impact of this on customers, protecting Greggs' reputation for exceptional value in the freshly-prepared food-to-go market."

"Given this dynamic, we do not currently expect material profit progression in the year ahead."

Five-time and reigning world time trial champion Ellen van Dijk triumphed in the opening stage of the BloeiZone Fryslan in the Netherlands.

Standing on the podium, she was presented with not only the leader's jersey, but also a prize from the race's title sponsor, EasyToys.

Van Dijk shared the contents of the package on social media.

Cycling has a chequered past when

Male cyclists are not immune to strange prizes either.

The organisers of the Tro-Bro Leon, a race in northern France, hand out a piglet after six hours of exhaustive competition.

However, it is not the winner who gets the pig, but rather the highest-placed Breton rider who earns himself a porker.

Arguably the worst prize, though, comes at the Paris-Roubaix, a one-day race that is one of the oldest in the world.

Competitors have to tackle almost 250km of roads, with a large portion on often slippery cobbled surface, but the reward for coming out on top is a slab of cobblestone.

And the winner of the mountains classification at the Arctic Race of Norway wins 500kg of Norwegian Salmon.

Which is okay if you like salmon.

## **SHAMED COP IN FAKE DEATH BID**

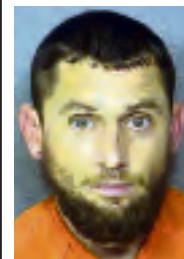

**A POLICE chief has been arrested for allegedly faking his own death in an attempt to dodge prosecution on more than 80 charges.**

Anthony Spivey, 36, skipped a court hearing in Chadbourne, North Carolina, and staged his own suicide but was nabbed days later hiding out at his aunt's apartment.

Spivey had been top cop in the small town of Chadbourne until he was slapped with dozens of charges and accused of raiding the police department's evidence locker, destroying evidence, trafficking opium and selling seized weapons to friends and family.

Spivey (left) later faced more charges for allegedly embezzling £6,000 raised to help a local family who lost a child to cancer.

He was axed from the force and staged his death by parking a pickup truck near the Lumber River and leaving a letter saying goodbye to his family.

## Missing woman found dumped in septic tank

THE body of a missing woman was found in a septic tank behind her home after she was allegedly killed and dumped there by her handyman.

Keoki Hilo Demich, 34, was charged with murdering Cynthia Cole (*above*), 57, who went missing shortly after attending an art festival in Jensen Beach, Florida, on February 24, Martin County Sheriff William Snyder said.

Cops allegedly found

MURDER RAP: Demich

doorbell camera footage of Demich leaving Cole's Jeep near her home the night she was last seen and arrested him

Deputies searched her property and noticed the top of a septic tank in her backyard was slightly ajar.

They looked inside and found Cole's body immersed in the cesspool, police said.

Halle, who has made her directing debut with the sports drama, said: "So Nahla watches the love scene (with a man). She's looking at me and she's like, 'Oh, whoa, Mum. Really? Wow!'"

**WELL OFF:** But Roberts wanted to cash in on Fingerhut's life insurance

## MONSTERS OF DEATH ROW

**THE WORLD'S MOST EVIL MURDERERS AND THE HORRIFIC CRIMES THAT SAW THEM SENTENCED TO EXECUTION...**

**WHEN Donna Roberts was found guilty of husband Robert Fingerhut's slaying in 2003, the wickedness of her actions finally seemed to dawn on her.**

She turned to the jury and openly told them to give her a death sentence, shrugging: "It's the right thing to do."

And having listened to the harrowing details of Roberts' sick plan, those jury members could only agree.

Roberts had embarked on a

By **KOURTNEY KENNEDY**

14-month affair with criminal Nate Jackson before the pair conspired to have Fingerhut brutally killed so they could cash in on his £500,000 life insurance policy by making it look as though he had been the victim of a carjacking.

This mild-mannered, generous bus depot owner was battered and tortured inside his garage, before being dragged inside his

house and shot at point-blank range in the back, chest and head.

And, in a final and heinous act of indignity before he breathed his last, Fingerhut was forced to watch as Roberts performed oral sex on Jackson as the woman he'd been with for 20 years committed the ultimate act of betrayal.

Throughout her trial, Roberts claimed mitigating factors – she'd had a tough upbringing, she'd been in a bad car accident and suffered injuries that affected her judgement, she'd had suicidal thoughts.

But the judge saw through her lies.

Roberts' son, Michael Fingerhut, is in no doubt over the true character of his stepmother.

### Injury

During the trial, Roberts had callously turned to Michael, pointed at the banks of TV cameras and exclaimed: "They're all here for me, Michael!" as if relishing her fame.

Speaking in 2014, Michael said: "In the 40 years I've known Donna, she never claimed a head injury.

"My father was a good man. He gave prisoners a job. He gave prisoners a bus ticket so they could visit their families. "He didn't look down on people. He was the least prejudiced person on the earth.

"My father is more than just a dead body. He was a person that people cared about.

"She, on the other hand, was pure evil.

"When my father was

killed, we didn't even know about it until after he'd been buried.

"When the detective told me 'Your dad's dead', my first thought was 'Donna'."

Roberts, now 75 and incarcerated on Death Row, had grown up on a farm in rural Youngstown, Ohio.

As one of five children, she claims she "never got any attention or affection", saying: "I always felt empty."

While her statements have been proved to be untrustworthy, Roberts says she saw her father both physically and verbally abuse her mother, and suggests she was raped by her cousin as a young girl.

In 1966 she married William Raymond and moved to Miami, where she had a son.

The marriage ended in divorce in 1971.

A year later, Roberts wed Burton Gelfand, but that relationship fell apart in 1980.

By 1983, Roberts had married Fingerhut and moved back to her home town in Ohio.

They divorced in 1985 – but friends and family say it was purely for financial reasons.

Fingerhut wanted to protect their assets in case his business was sued or collapsed. So for many years after their 'split', Roberts and Fingerhut were, to all intents and purposes, happily married.

He regularly referred

to Roberts as his "wife" and doted on her like any good husband would.

The pair were well off, too, earning £150,000 a year between them, with Roberts running a diner.

But there was trouble brewing.

At some point in 2001, Roberts, then 58, met and began a sexual relationship with petty crook Nate Jackson, 44, behind Fingerhut's back.

She was besotted, despite the fact Jackson was several years her junior.

### Rage

Witnesses in the small town told how they'd seen the pair kissing in public and even booked themselves into a motel suite for illicit romps.

Fingerhut must have sensed his wife was slipping away from him, so he sought to restrict her by giving her less access to his money.

Pal Frank Reynolds told how he'd overheard Roberts ask Fingerhut for \$3,000. When he refused, Reynolds said Roberts was "shaking with rage" and giving him "the dirtiest look".

Despite toyboy lover Jackson being sent to prison in 2001 for a string of burglaries, the vile

lovebirds began hatching a terrible plan in a string of letters and phone calls.

One letter from Jackson to Roberts, in October 2001, read: "Donna, I got it already planned out on how we are gonna take care of the Robert situation – and baby, it's the best plan ever!"

"Because, Donna, it's now time that we really be together so that we can really see the true side of our love.

"I'm tired of not being able to be with you."

Roberts, angry at not being able to use Fingerhut as a cash cow, wrote back, "You know you can always count on me – you always could."

"It'll just be a little tougher now because he only gives me \$100 a week and he makes me write checks to keep track of it all.

"I haven't even been allowed to use any of my 52 charge cards. He says they're for emergency.

"I'm not used to living like this. I'm used to having plenty of cash for whatever I want.

"Maybe those days will return again soon.

"Do whatever you want to him ASAP. Amen."

Jackson and Roberts grew ever more brazen, dreaming of how they'd

spend Fingerhut's life insurance money.

Jackson scribbled: 'I told you I'm tired of living like this when I don't have to.'

'After we're done, will you get me a 2002 Cadillac Deville? Even if I gotta come to the house and shoot Robert in his f\*\*\*ing head, you're gonna be with me.'

Roberts secured the murder kit. She replied, 'I went to four stores and finally found your ski mask, boxers and a pair of beautiful fleece-lined black leather gloves'.

Authorities at Lorain jail, where Jackson was being detained, recorded

telephone calls between the couple.

Court records show, 'In recorded phone conversations between Jackson and Roberts during November 2001, they continued to discuss what Jackson planned to do to Fingerhut'.

On November 8, 2001, Jackson told Roberts he wanted Fingerhut to see Roberts performing oral sex on Jackson before Fingerhut 'goes away'.

And on December 11, 2001, two days after Jackson was released from prison, Fingerhut was mercilessly executed.

The first cops knew

was when Roberts called 911, saying 'There's something wrong with my husband'.

'That was something of an understatement.'

Forensic pathologist Dr Humph Germaniuk told how Fingerhut had sustained 'lacerations and abrasions to his left hand and head, as well as multiple gunshot wounds to his head, chest and back'.

The damage caused by the bullets from a powerful .357 Magnum handgun had ripped Fingerhut's face to shreds, leaving him in a pool of his own blood.

Police officers spotted

that his wife was acting rather erratically, with onedetective noting, 'I didn't see any tears coming from Roberts' eyes when she appeared to be crying'.

Police then learned that Jackson and Roberts had been spending time together at a Days Inn hotel in the days following the murder.

They combed that hotel room for forensic evidence – and hit the jackpot.

## Murder

Investigators found used bandages and traces of Fingerhut's and Jackson's blood.

By 2001, both Jackson and Roberts had been indicted on two counts of aggravated murder.

In 2002, Jackson was found guilty. A jury recommended the death sentence.

Roberts continued to

plead her innocence through her subsequent trial the following year, saying she had never meant to instruct Jackson to kill Fingerhut, that she'd only been acting out 'fantasies'.

She said: 'I never intended for that to happen. I still can't believe it.'

But her unpersuasive behaviour in court helped seal her fate.

She moaned about the 'young, inexperienced' jury, while whingeing, 'I had everything. Now I have nothing.'

But the most important thing I don't have is Robert. Oh, and my two little girls...

She then showed the jury photographs of her two dogs.

On June 21, 2003, Roberts was finally handed a death sentence of her own.

Thanks to the antics of Black Lives Matter Marxist agitators, cops in the Big Apple are now going softly softly, with a resulting crime surge that is causing terror.

Construction shop owner Sung Hong, 64, said: 'It's getting worse and worse, I don't know what's going on.'

'It's like people have become crazy.'

Overall crime is up almost 50 per cent in New York, which used to be one of the safer cities in the world thanks to tough policing.

The body also did not appear to be decomposed, police said.

Officers said the medical examiner will determine her cause of death and possibly identify her through DNA.

# JUSTIN DUNN'S ROOM 101

**WHAT'S ANNOYING HIM THIS WEEK?**

## What *HAS* happened to Manchester United?

**NO "annoyed" today. No anger.**

Just pity. A pity shared with anyone who has ever had a fleeting moment of admiration for the once great football club that is Manchester United.

As a kid, even growing up on Merseyside, footy, to me, was never on the table.

I was rubbish at it. And if I'm rubbish at something, I don't want to do it, which meant I would never improve, and the vicious circle continued.

Until Euro '96 happened.

The country went mad and we really thought "it" was coming home, before it really didn't yet again.

But I was then hooked.

Footy was ace.

Of course, I was also far, far too late.

United were winning everything, all the time, and my team, Liverpool, were constantly winning bugger all.

We'd had our time in the previous two decades but, by then, everything was happening at the wrong turnoff of the M62.

I can't and won't speak for more knowledgeable Liverpool fans but I reckon, somehow, they would agree that watching the United success years was just bloody awful.

### Banter

It was bad enough that we weren't the team of past glories.

But it was far worse that they, of all teams, had knocked us off our perch, as Sir Fergie of Questionable Nose famously vowed to do.

And did.

Week in, week out, it was United this, United that.

Cantona. Keane. Beckham. The foreign fellas.

The ginger one who retired because he couldn't see but then clearly went to Specsavers.

All household names, drenched in trophies, and cars, and birds, and riches.

But most of all, success.

Meanwhile, I was a youngish reporter from Merseyside working in an office in Manchester surrounded by United fans.

The banter was non-stop. And without a result to point to, I just had to take it.

And then along came two things

**RED HOT:**  
United  
greats  
Keane,  
Cantona  
and Fergie

from Germany that would change that forever.

One was Pep Guardiola – via Portugal, and Spain, and then Germany – and the other was the big fella, Jurgen Klopp.

Fergie was retired.

The smarmy gobshite at Chelsea had already been defenestrated.

Arsenal and Spurs had all but disappeared.

And what of that other team in Manchester... you know... the ones in red?

What happened to them?

As anyone who watched the Manchester derby on Sunday could tell, what has happened is an implosion of almost Biblical – but certainly Liverpoolian – proportions.

The club – biggest in the world, it keeps desperately trying to convince people – is f\*cked.

Their Ole-replacement, ironically also from Germany, but without the Pep/Jurgen CV, has turned out to be even worse than Ole.

The players either don't respect Ralf Rangnick or don't like him.

Or both.

But then the same players are not coming across as being too fond of each other, either.

At Liverpool, it's all about hugs and high fives and reminding everyone that whoever scores, it's always, always "for the team".

But at Old Trafford it's about saving personal face, keeping an eye on outside sponsorship deals and slugging off your teammates on the sly.

Which makes it an extremely unattractive place for anyone but the most mercenary player or elite manager to head to.

It's a saddening downward spiral for United and, as much as this Liverpool fan can enjoy that, this football fan cannot.

Too much, anyway.

# #MY SEX FANTASY

## 'I want to be gangbanged by a group of horny fellas!'

**MY wildest sex  
fantasy is being  
devoured by a  
group of horny  
men in a steamy  
gangbang!**

I'm at some posh sex club event in a mansion or castle.

Being a first timer I'm bit nervous but a few drinks helps ease that. Next thing I know I'm making out with a hot guy.

We're in the stairway and people are going past us and looking as we get more intimate and it feels wild.

### Filled

Then two guys stop and ask if they can watch, we say yes and it's such a thrill. I'm turned on my inhibitions vanish and I beckon the two men to join in.

There are hands and tongues all over my body and all my holes get filled with cocks.

I feel insatiable and I invite more bystanders to get involved. I now have five men taking turns on me and it's the hottest thing I've ever done.

I'm a lot more reserved in real life so who knows if I'd ever have the guts to make this a reality... but never say never I say!

## Turkey bashing postie accused of fowl play

A POSTMAN has been accused of fowl play after twatting a turkey to death.

The bird apparently accosted the letter carrier, prompting him to grab a pole or stick from his vehicle and fatally beat the bird with it.

The incident in Sacramento prompted a probe by California wildlife officials and the US Postal Service.

"We are currently launching a thorough investigation," Meiko Patton, a local USPS spokesperson said.

"Our employees have had several altercations with aggressive turkeys in the area, including a recent attack on a letter carrier."

"We have been working with the Department of Fish and Wildlife to mitigate the issue."

"However, this allegation is alarming and, if true, [is] inexcusable and [does] not reflect the efforts of our more than 650,000 employees who faithfully serve and deliver for America every day."

## Nurse, 51, gave sex and drugs to max security lag

A PRISON nurse has been accused of providing drugs to an inmate she was allegedly having sex with.

Police arrested Kristie Miller and accused the 51-year-old of distributing buprenorphine and naloxone sublingual films to a prisoner at the men's maximum-security Sullivan Correctional Facility in Fallsburg, New York.

Investigators also learned that Miller was involved in a sexual relationship with the same inmate, cops said.

Miller was charged with third-degree rape, third-degree criminal sex act, third-degree criminal possession of a controlled substance with intent to sell and first-degree prison contraband.

Liberty Town Court remanded her to Sullivan County Jail.

# BULLDOZED TO DEATH... WHILE HAVING A SHIT

**DEADLY DUMP:** Aaron Henderson (above) suffered a crap ending

## Tip man crushed as earthmover runs over portable loo

**A MAN having a peaceful shit at the end of the working day died horribly... when a BULLDOZER ran over the portable bog he was sitting in.**

Aaron Henderson was a temporary contract worker assigned to be the spotter for heavy equipment coming in and out of a landfill site.

Cops say a heavy equipment operator, who was also a contract employee, was driving a bulldozer at the North Central Landfill in Polk County, Florida, working alongside Mr Henderson, 43.

Cops say around 5.10pm, the end of a regular workday, the bulldozer operator began driving up an embankment towards a "heavy equipment staging area" to park his bulldozer.

### Crumbling

While doing so, the front blade of his bulldozer was elevated off the ground and he could not see directly in front of him due to the blade obstructing his view.

The driver went up the embankment onto level ground and began to turn his bulldozer.

It was then that he heard a loud crumbling noise.

As he continued forward, the driver

By COLIN HURST  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

noticed he had gone over a portable toilet, which he was unaware was near the staging area.

He got out of the bulldozer and ran towards the portable toilet to see if anyone was inside, according to investigators.

He saw Mr Henderson unresponsive inside the portable loo.

Emergency services were called but Mr Henderson died at the scene.

Council spokeswoman Martha Santiago described the incident as a "tragic accident".

It is the first fatality in the history of the North Central Landfill.

An autopsy will be conducted at a later date.

It does appear to be a tragic industrial accident, cops said.

LOVE Island's Kady McDermott has jetted off on a romantic Maldives getaway with a new mystery man.

The reality star, 26, shared snaps of her lavish break at Ayada Maldives but hasn't yet disclosed the identity of her new beau.

But she did show off her ARSE in this stunning snap.

One fan said: "I'm not entirely sure why she's famous but I'd like to put my little finger in her bumhole while singing the theme to *Minder*."

"I could be so good for you, whoo-hoo!"

# THE WORLD FAMOUS AGONY Page

Dear Ashleigh,

I LOVE looking at pictures of stunnas on all fours with their pussy lips nicely spread, so I got my girlfriend to pose this way for some saucy snaps.

But as she pulled her fanny folds apart and thrust a couple of fingers into herself, my dick rose so fast that I had to toss the camera aside and f\*\*k her doggy-fashion without delay.

I couldn't believe how aroused I was and I pounded away for what seemed like an age, giving my girlfriend several orgasms until I finally shot my load deep inside her.

It was definitely the best shagging session we've ever had – but now that she knows the effect it has on me, she is always going down on all fours and finger-f\*\*king herself.

It works every time and it's not something to complain about, but now I am completely shagged out.

LJ, Hants

Ashleigh says...  
THERE are thousands of fellas out there who would gladly swap places with you!

Dear Ashleigh,

I'VE been looking for a new house for a while. I went to my local estate agents and really fancied one of the women who works there.

She's a brunette with lovely tits and she was very flirty when I asked her to find me some suitable properties in my price bracket.

She showed me around a few houses and, when I tried it on, she was well up for it.

She had her tits out in an instant and I nibbled on her nipples before taking off her soaking thong. She sucked me off before I knobbled her doggy-style.

I now make appointments to see houses just so I can shag her. The problem is that she's finally shown me a house I really like, but if I buy it I won't get to see this bird any more because she's married.

PK, Birmingham

Ashleigh says...  
BUY it and get a new woman to help decorate it.

## Cock of the north gave me a hole night of fun

Dear Ashleigh,

I'M a London girl working in Lancashire for a few weeks and I've found out that northern guys know how to give a girl a good shag.

One night after work I joined the lads for a few drinks in the pub next to the office before going with them for a curry.

We ordered up the Cobra and ate a mountain of curry that the lads assured me would "leave my ring stinging" in the morning.

After I downed two pints I felt horny and decided to give the guys a thrill by whipping off my knickers and placing them on my side plate.

The lad opposite me got the

idea and slid under the table cloth to lick my dripping pussy.

When he'd come up for air, the second slipped his hand down and fingered me before licking his digits.

They were both up for it and we went back to my flat, where I let the pair of them roger me up the fanny and arse.

And they were right, my ring did sting in the morning – but not 'cos of the curry!

I'm due back in London soon but I'll miss my northern lads.

JK, London

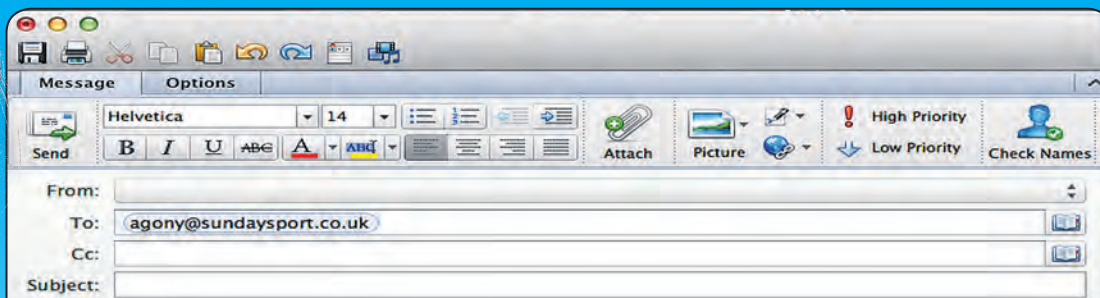

Ashleigh says...

GET some more shagging done before you leave.

AGONY IS BROUGHT TO YOU IN ASSOCIATION

**WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week ASHLEIGH GEE has been reading through your letters. And here's her advice for you...**

# Lesbo romp gave me most powerful orgasm of my life

**Dear Ashleigh,**

**I'M a 21-year-old student and my fella's pestering me to have sex with a woman while he watches.**

It started a couple of months ago when I was on a night out with my course group and one of the girls came on to me.

At first I was a little taken aback as I have never been with another woman before – although I have sometimes fantasised about it.

But as the night wore on and I got more into it, the thought of it really began to turn me on.

And when she gave me a goodnight kiss, I was thrilled as she slipped her tongue in my mouth.

## Licking

It was as if the decision had been made for me and I was quite willing to go along with it.

My whole body tingled as her hands held my bum, pulling my pubic mound to hers.

The sweet taste of her mouth got my juices flowing so much that when she asked if I wanted to go back to her place, I didn't hesitate.

As soon as the door closed behind us she was lifting my top, sucking and licking my nipples as her hands fumbled with my zipper.

We moved into the living room, where

she pushed me back on the sofa and pulled down my jeans and panties.

I couldn't believe how wonderful it felt as she slowly spread my thighs and began fingering my pussy lips.

Then she leaned forward and teased my clit with her red-hot tongue.

Within minutes I was experiencing the most powerful orgasm of my life.

I've never been what purveyors of grot flicks would call "a squirter" – and I still don't count myself among their moist ranks – but the wetness of my womanhood was something to behold at that lusty moment.

Then it was the turn of my saphic sex buddy. I felt nervous as she slipped off her clothes right in front of me.

But as she revealed more of her gorgeous body it seemed natural to pleasure her in the same way.

My first taste of pussy was truly

amazing. I flicked my hungry tongue across her fleshy petals time and time again, before locating her clitoris and going to work on that with some relish.

We spent the rest of the night licking, sucking and f\*\*king each other – and have done several more times since.

She even did me up the wrong 'un with a strap-on, which left me howling in ecstasy.

But I made the mistake of telling my fella and he was angry – not for me cheating on him, but because I didn't let him watch.

Should I?

*NL, Notts*

**Ashleigh says...**

**WHY not? There's always the sexy fun of a threesome to explore.**

**Dear Ashleigh,**

**I'M a 19-year-old girl and I have been confused about my sexuality since I was 18 and still at college.**

I fancied boys but I also had feelings towards some of the girls in my class.

As a result, I never had any sexual experiences.

Last month I summoned up the courage to discuss it with some of my girl uni pals who are

lesbians and they fixed me up with one of their crowd.

She was two years older than me and we hit it off straight away. I fancied her like crazy and we went back to her flat where we kissed and stripped before I fingered her to orgasm.

Then she did the same for me.

A few days later at a party I ended up talking to a great-looking guy who I'd seen in college but never spoken to.

I'd never realised that he fancied me, but when he kissed me I was overwhelmed with desire for him and let him shag me at my flat.

It was an incredible experience to have him thrusting inside me – and yet I still yearned for the tenderness of my new lesbo friend.

Should I surrender to girly love?

*SW, Middlesex*

**Ashleigh says...**

**YOU may swing both ways, so enjoy both types of loving for now.**

# I bonked hubby's client to keep orders rolling in

**Dear Ashleigh,**

MY husband has always been a bit of a computer nerd and studied hard to pursue his interest.

He became so good that he gave up a steady job with an insurance company and set up on his own, writing and selling his own software.

To seal his biggest deal yet, he invited a client round to our house one evening for a meal.

I rose to the occasion by cooking us all a chicken dinner with lashings of gravy.

And I even baked an apple pie, served up with custard, for afters.

We made sure our visitor was well supplied with booze and everything seemed to be going well.

Later in the evening though, I told my fella to show the business bloke a video on his mobile of us having sex that we'd made

for a laugh some time last year.

I would go to any length to land some business – and well up for it when he said the bloke had asked if he could hump me too!

And I have to admit I was also secretly aroused when I stripped naked for this total stranger in our home.

I let him give me oral for what seemed like hours until my fanny was dripping.

Then he shafted me hard and fast, making me cry out with passion.

Now my husband has asked me to shag the fella regularly to keep the orders coming.

What do you think?

ALWAYS HOME  
OF TOPLESS  
BABES

**N**AUGHTY Nicole Smith is a bit of an exhibitionist... but the chilly weather has forced her to come up with other plans.

The stunna, from Kent, loves bonking outdoors but the cold conditions has put a stop to all that.

Nicole said: "I love the thrill of outdoor sex, but even though it's officially spring it's still cold and my 36C boobs can't handle the icy weather."

"That said, I once shagged a fella in a hot tub while it was snowing."

"We stripped naked and took a dip and things escalated pretty fast."

"I was soon bouncing up and down on his hard cock and the jets on my clit had me gushing in minutes!"

**IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!**

For all you red-blooded fellas who love your porn but are bored to tears by dull *Downton Abbey* this is your lucky day.

Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another £5 OFF the already low, low price.

*Down On Abby* is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Smallc\*\*\* and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of noshing as well as lots of other filth that will even cause a crease in Carson's keks.

We see plenty of R18 DVDs at the *Sport* but this one is really something special and one you MUST not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

## Pep: I'd love it if Fernandinho signs new deal

By ANDY MILLOM

PEP Guardiola says he would "love it" if veteran midfielder Fernandinho stays at Manchester City for another season.

The Brazilian is expected to leave the Etihad in June after almost a decade with the club.

The 36-year-old has spent most of the campaign on the bench. But Guardiola says his influence off the pitch continues to be huge.

The City manager said: "Fernandinho and Kevin De Bruyne in this case have been in every meeting we have had over the last six years."

"He and Kevin know exactly what happens, they read exactly what happens especially when at half-time things aren't going well."

"I would love it if he stayed for another season."

"I am so glad to have him. He is an incredible player and captain."

### Help

"At the beginning of the season, at 36, he struggled a little bit after the holidays to find his rhythm, but now I have the feeling he is getting better."

"For him he doesn't care, he is happy to play against Peterborough."

"Other players his age wouldn't want to play in the cold weather, but he wants to help to give rest to Rodri."

"At the end of the season we will decide on his future."

City take on Sporting Lisbon in the second

**ADMIRER:** Guardiola

leg of their Champions League last-16 tie on Wednesday night.

They will be without Kyle Walker and Pep is fuming with the England right-back for getting himself banned for three European games.

He saw red for a petulant kick at Andre Silva in the final group game against RB Leipzig.

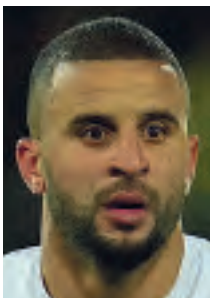

He missed both legs of this tie and will miss the first quarter-final match.

Guardiola is far from happy with Walker for being so stupid.

He said: "He deserved it, he deserved the three games, he did a stupid thing."

"I'm not kind to Kyle for this kind of action. I'm still so angry with him. He knows it, it's not necessary. He deserved it."

"The club appealed but I did not agree. Hopefully he has learned."

**BACK IN FORM:**  
Kane has found his shooting boots

## KANE: SPURS ARE UP FOR IT

### Harry vows to fire Tottenham into Europe

By PAUL THOMAS

**HARRY Kane says Spurs MUST get back into the Champions League – and the players will make it happen.**

Tottenham have found their scoring boots again and followed a 4-0 win at Leeds with a 5-0 home walloping of Everton.

That turned up the heat on north London rivals Arsenal who currently sit in the vital fourth place in the Premier League.

### Race

Kane says there's no time to be thinking about gradual improvement – Tottenham have to start winning every week now.

The England skipper said: "I don't think we can hide away from the fact we are in

the race for the top four and we can't keep saying, 'We're learning, we're improving.'"

"We're there, we're in amongst it. All we've got to do is be more consistent."

"It's always difficult when a new manager first comes in, he has to implement his ideas and the way he wants to play."

"He's been here now for four months so we can't use a new manager as an excuse."

"We have to take the responsibility for ourselves."

"The manager is a fantastic coach, I've said that now on many occasions. I really enjoy working with him, so it's down to us players to take that responsibility."

"A lot of us want to be playing in the Champions League. We haven't played in it now for a couple of years

but it's where we think the club should be."

"So there's a lot of hard work to go."

"It's not just about one result because we've had good results like last night's this season already."

"It's about putting together a run of four, five results in a row. Obviously we've got another tough game at Manchester United on Saturday."

### Consistent

"Overall, we have to take it in our stride and make sure we pick up points."

Kane says Conte's methods are beginning to have an impact on the Tottenham players.

He added: "Games like Everton will definitely help us be more consistent. It was a great game all round, with

and without the ball. A lot of stuff we've been working on with the manager worked."

"It's about feeling that pressure. If we want to move forward as a team, it's about taking responsibility and we can't hide away from it."

"Obviously there are 12 games left now so there's still a lot of opportunity to pick up points and it's just down to being more consistent. That's what we've got to try to do until the end of the season."

And Kane has put the idea of leaving Spurs to the back of his mind.

He said: "I feel like I'm in a great place."

"I'm 28, I feel like physically I'm in a really good place."

"I feel mentally, my game understanding and my awareness on the pitch is at a really high level from just gaining experience."

# RELEGATION CRISIS AT GOODISON PARK

# It's the players' fault if Everton go down

**PRESSURE ON:** Everton skipper Coleman admits they are in a relegation fight

By MARK NAYLOR

**EVERTON skipper Seamus Coleman says it will be the players' fault if Everton are relegated this season.**

The Toffees sit just one point above the drop zone with the arrival of new manager Frank Lampard making little change to their fortunes.

The former Chelsea boss has overseen four defeats in five games with their 5-0 reverse at Tottenham arguably their worst showing of the campaign.

Everton haven't gone down from the top flight since 1951 but they are in real trouble with some tough fixtures to come.

## Humbling

Skipper Coleman admits the Spurs hammering was hard to take – and very worrying. He said: "It's a very disappointed dressing room as you can imagine."

"We've had bad away form but that felt like something different."

"Frank Lampard since he's come in has been brilliant but we're a group of players who've been here all season so ultimately it's down to us."

"It's not been good enough and of course we believe in what we're doing on a daily basis but that Spurs game was really

# DON'T BLAME BOSS SAYS COLEMAN

humbling. You've got to believe."

Coleman's view was backed up by Jamie Carragher who thinks the Toffees are in massive trouble.

The former Liverpool and England defender says the 5-0 drubbing is the first time he thought Everton may actually be destined for the dreaded drop.

That would be a disaster for a club that has spent so much on players and has one of the biggest wage bills

in the Premier League. If they drop to the second tier, Everton's finances would be in tatters and most of the big-name players would have to go.

Carragher thinks that could happen despite the arrival of Lampard – which hasn't brought about the new boss bounce the board were hoping for.

He said: "Everton are an absolute shambles defensively."

"I mentioned they're a

Championship back four. That might be a little bit harsh on some of the back fours in the Championship."

Carragher thinks the home form could save Everton – as long as the atmosphere doesn't get too edgy.

He added: "The only way this team is going to stay up and what I think will keep them up is Goodison Park."

"One of the reasons I think it was right to take Lampard at the time was he was the one candidate the supporters almost bought into and were happy in some way that Lampard was taking charge."

## Crowd

"It hasn't been a great start but there's been an energy and atmosphere at Goodison."

"They have eight home games left."

"It is significant because you can't actually see them picking up a point away from home."

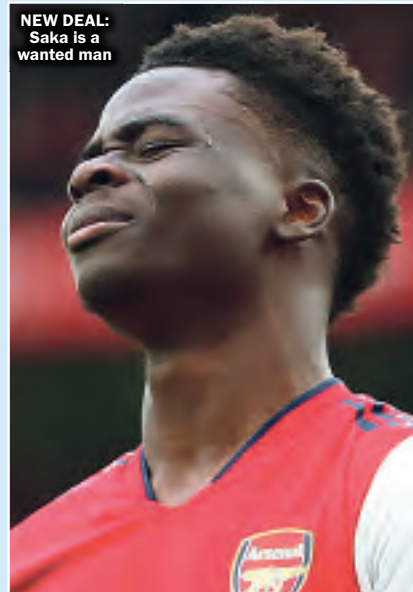

"The disappointing thing away from home is that, not just for Everton but for any team – it's easy to play at home with the crowd behind you."

"When you go away from home, it's about character and personality. That's when a team is at the bottom or the top."

**BAD START:** There's been no new boss bounce for Lampard

**NEW DEAL:** Saka is a wanted man

# GUNNER PARTEY'S A SAKA BACKER

By ANDY MILLOM

THOMAS Partey is confident Bukayo Saka will stay at Arsenal – despite talks over a new contract stalling.

The Gunners forward has been one of their brightest stars this season with eight goals and five assists in his 25 Premier League outings.

Saka's contract runs out at the end of next season and clubs would be queuing up to offer massive deals to sign the 20-year-old Londoner.

But Arsenal team-mate Partey thinks the Emirates is the best place for him.

He said: "He's one of the best young players in the world now. He's doing a great job. I hope he stays with us for a long time and does what he can, and tries to take this team far."

Arsenal gaffer Mikel Arteta is confident that Saka won't have his head turned – and will pen a new deal soon.

There are reports in Europe that the likes of Bayern Munich and the Spanish giants are keen on making a move.

The Spaniard said: "I think he is happy with his teammates, he is happy being at the club and he is enjoying it."

## Londoner

"I think his biggest improvement is the level of consistency he's playing with. To have moments is fine. A lot of players can do that. But to play consistently at that level is very difficult."

What Arsenal have in their favour is Saka being a Londoner so he'll feel a pull towards the Gunners.

The negative could be a lack of Champions League football.

Making the top four this season would make it easier to hold on to players like Saka.

It's not just European sides sniffing about – Liverpool boss Jurgen Klopp is known to be a

**IMPRESSED:** Partey

major admirer of the youngster too.

Saka has struck up a fruitful partnership with Martin Odegaard and Arteta thinks they can develop as a major force.

He added: "I think it's between them. The way the game flows, the way we attack, how we adapt our positions relating to each other, how we move the ball."

"The speed of the movement, the timing if it is much better, the position that we get, the threat and the sense of having the capacity to create the chances is much better and we have to keep developing that."

**Cristiano returns after derby injury**

**CRISTIANO Ronaldo is back in training for Man United after his absence from the Derby sparked major controversy.**

Speculation was rife about the Portuguese star after his sister liked a social media post that

By JOHN ANTHONY

suggested he wasn't really crooked for the demolition by City.

And other reports say Ronaldo's absence was greeted with dismay by his shocked team-mates.

He was reportedly back in Portugal when the Derby kicked off on Sunday. And

his absence from the Etihad is thought to be another bone of contention with the other United players.

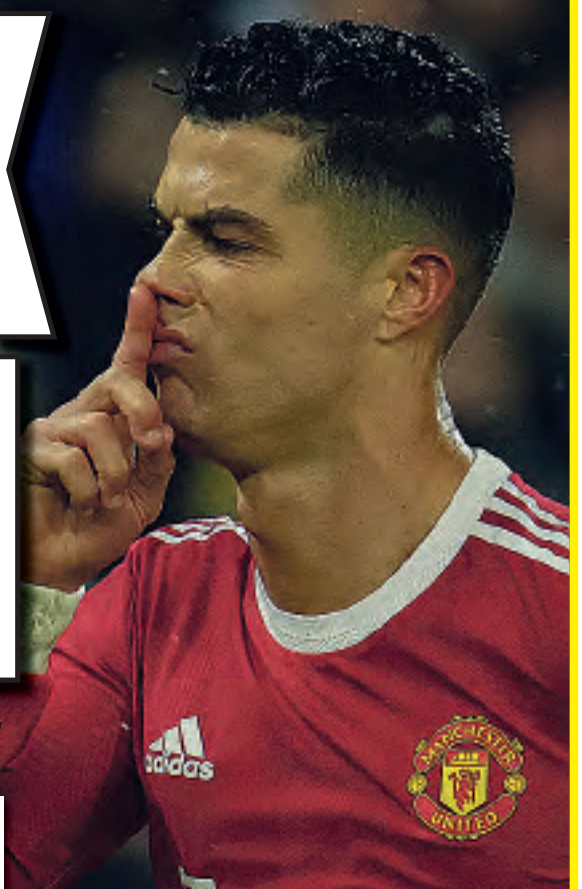

But there are hopes the veteran will be fully fit for a real six-pointer against Tottenham at the weekend.

He trained yesterday – alongside Edinson Cavani who ruled himself out of the Derby defeat due to illness. The Uruguay

hitman has been missing from the team for a month.

United legend Roy Keane is worried that Ronaldo has fallen out of love with the club.

He said of CR7: "We talk about Ronaldo being almost some sort of machine, is very rarely injured, but every now and again he comes out with that. Hip flexor, it doesn't add up."
